This document has been prepared by UBS AG, its subsidiary or affiliate ("UBS"). This document and the information contained herein are provided solely for information purposes and UBS marketing purposes. It is not to be regarded as investment research, sales prospectus, an offer or a solicitation of an offer to enter in any investment activity. Please note that UBS retains the right to change the range of services, the products and the prices at any time without prior notice and that all information and opinions indicated are subject to change. No representation or warranty, either express or implied, is therefore provided in relation to the accuracy, completeness or reliability of the information contained herein except with respect to information concerning UBS AG, nor is it intended to be a complete statement or a summary of the markets and developments referred to in this document.

The document does not consider specific investment objectives, financial situation or particular needs of any specific recipient. It should therefore not be regarded by recipients as a substitute for the exercise of their own judgment. Products and services described in this presentation are generic in nature and have not been tailored to the specific needs and personal circumstances of a recipient. Further, this presentation includes services and products which require an individualized and tailor made set up. Such services and products may require further UBS internal approvals on a case-by-case basis, which may depend on various client- and UBS-specific factors. The broad range of services and products are provided by various UBS group entities which might require an individual on boarding in such locations. Certain services and products are subject to legal provisions and cannot be offered world-wide on an unrestricted basis. Please note that all investments carry a certain degree of risk and the attention is hereby drawn to such risks (which can be substantial). The market in certain securities may be illiquid and therefore valuing the investment and identifying the risks may be difficult. Some investments may be subject to sudden and large falls in value and on disposition may pay back less than invested. Some figures may refer to past performances or are simulated performances and both are not reliable indicators of future results. Some figures may be forecasts only and forecasts are not a reliable indicator of future performances. Some charts and/or performance figures may not be based on complete 12-month periods which may reduce their comparability and significance. If the currency of a financial product or financial service is different from the currency of your home country, the return may increase or decrease as a result of currency fluctuations. Fees may not be included and these will reduce future performance accordingly. The recipient should carefully consider whether such investment is appropriate for the recipient's situation.

Tax treatment depends on the individual client's circumstances and may be subject to change in the future. UBS does not provide legal or tax advice and makes no representations as to the tax treatment of assets or the investment returns thereon, either in general or with reference to specific client's circumstances and needs. Recipients should obtain independent legal and tax advice on the implications of the products/services in the respective jurisdiction and the suitability of the products and services.

UBS, its directors, officers and employees' or clients may have or have had interest or long or short positions in the securities or other financial instruments referred to herein and may at any time make purchases and/or sales in them as principal or agent. UBS may act or have acted as market-maker in the securities or other financial instruments. UBS may have or have had a relationship with or may provide or has provided investment banking, capital markets and/or other financial services to the relevant companies. Neither UBS nor any of its directors, officers, employees or agents accepts any liability for any loss or damage arising out of the use of all or any part of this document. Additional information may be made available upon request. No investment decision relating to securities of or relating to UBS AG or its affiliates should be made on the basis of this document.

This document is intended solely for the information of the person to whom it has been delivered and may not be distributed in any jurisdiction where such distribution would constitute a violation of applicable law or regulations. This document is, in particular, not intended for distribution into the US and/or to US persons or in jurisdictions where its distribution by us would be restricted. UBS specifically prohibits the redistribution of this document in whole or in part without the written permission of UBS and UBS accepts no liability whatsoever for the actions of third parties in this respect.
